Hello Peter,

Cost is 550,000 pp O/W. We will need to know when and where we can deliver your tickets in Bali and you can pay cash to us then or you can pay to Big Bubble on your credit card.

Please feel free to contact me again for more information or if you would like to make a booking.

Okidoki! As agreed, we will bring our proper torches to the Gili's. You can confirm our stay at Big Bubble in an Airconditioned room!

See you in september! Peter On 15 Jul 2007, at 08:02, PT. Big Bubble wrote:

Dear Peter,

Sorry for the delay in reply but we have had alot of connection probelms from this end.

I am also really sorry but the prices for diving on Trawangan are all fixed by the Gili eco-trust which the boss of Big Bubble also runs, so she can't break the pricing agreement as it is her job to ensure that no-one else does on Trawangan. However, I have spoken to her and she says that if you have your own torches for night dives, then we will happily do them for \$35 each so saving you \$5 per night dive. This means that the 10 dives including 3 night dives will be \$272 per person as you get

the 15% discount for ten dives anyway and also on the new night dive price, so it is only an extra \$22 each.

I hope that this helps you abit and sorry we can't just say yes to your offer, but we could get into trouble unless we stick to the price agreement ok. Aslong as you have your own torches, then the price would be this ok.

Yes we can do you a dive at 7.30am and we can arrange all this when you arrive. If the boat leaves at 11.30am then we can do a 7.30am dive that day and then you have plenty of time to get ready to get the boat.

So, let me know that this is all good for you and then have already booked the room so just confirm and then we will look forward to meeting and diving with you in Sept.

Oh yeah, you can pay for the dives in rupiah too if you prefer, but the exchange rate would be based on the date you pay. It is much easier for you to bring usd for the dives as then you don't lose on any exchange rates, but for the room, we prefer the rupiah. If you wanted to put it all on creditcard, you lose again as there is a 3% surcharge for using creditcards anywhere in Indonesia ok, so best for you is usd for dives and rupiah for room, restaurnats etc etc.

Best wishes

Steph

Hello Peter,

Anna is away on holidays at the moment and is back beginning of July. I have read through the e-mail and am delighted that you have chosen to come and stay and dive with us.

I will book you the aircon room for 4 nights at 300,000 rupiah per night.

As for the diving, if you make 10 dives each, you will receive a 15% discount, so \$35 for the first dive and \$30 thereafter - \$259.25 with the discount. (Night diving is \$40 per dive so this price may vary depending on if you night dive or not). If you make 5 dives or more each the price is discounted at 10%. There is also the Gili Eco Trust reef tax charge at 30,000 rupiah per person. We provide torches for the night diving but you can bring your own if you like.

As for paying, we do accept VISA but there is a 3% charge here in Indonesia. We also accept US Dollars or local currency in Rupiah. I will tell you that there are NO ATM machines here on the island, so be prepared before you arrive! It is possible to get cash advances but that can be expensive as people charge up to 10% to do this. We dont need any payment but if for any reason you delay, postpone or cancel the visit, please let us know!

I hope this helps and you are organising your transport to get here - please let me know.

So, if you have any further questions, i will be happy to help you.

Regards

Steph
